Notification D. No. 125, dated 19th May 1919.

Notice is hereby given that the Government of Mysore will award sixteen Technical Scholarships tenable for a year from the date of opening of the respective institutions under the following rules. Of these three scholarships are reserved for training in Leather industry and three more for training in Chemical and pharmaceutical processes. Applications for the scholarships should be made in the form appended hereto and should be submitted not later than the 5th of June 1919.

Rules for the Award of Scholarships for Technical, Arts and Industries.

1. For training in the arts and industries noted below ten scholarships, each of the value of Rs. 15 to 25, will be awarded annually to selected candidates.
2. The scholarships will be tenable in the institutions named in the statement appended or other similar approved institutions.
3. They will be awarded in the first instance for one year, and be continued at the end of the first year by periods of one year at a time on the recommendation of the Head of the Institution which the scholar attends. Usually a scholarship will be tenable for a period of three years. But in the case of candidates selecting either of the subjects, viz., Textile Manufacture and Technical Chemistry in the Victoria Jubilee Technical Institute, Bombay, the period of the scholarship will be four years. Not more than five scholars will be permitted to take up these subjects in any one year. In the case of apprentices in the Mysore Pharmaceuticals, Limited, Bangalore, each candidate should bind himself to undergo training during this period subject in case he does not complete the full course, to his refunding the whole of the amount actually drawn by him, unless he can adduce reasons to the satisfaction of Government to the contrary. Any wages earned by the apprentices from the company will be in addition to the stipend.

4. The tenure of a scholarship will be subject to the condition of satisfactory reports of progress and conduct being received from time to time from the Head of the Institution in which the scholarship is held.

5. The appended tabular statement gives the names of selected institutions, the arts and industries taught in them and other particulars. In the Arts Schools no scholarship will be given to those who learn sculpture, unless they also learn one or more industrial arts.

6. The scholarships will be granted to natives of Mysore, who are not more than 21 years old, and who possess at least the educational qualifications prescribed for admission into the institution which they wish to join, but are unable without Government help to attend it.

7. Applicants for scholarships should submit with their applications certificates from persons of known respectability showing that they are natives of Mysore by birth or domicile, their age and their educational qualifications. After the applicants are selected, they shall produce certificates of physical fitness from a medical officer not below the rank of a Civil Surgeon in the same form that is prescribed for admission into Government service before scholarships are awarded to them.

8. In selecting candidates for the scholarships preference will be given to the sons of persons engaged in the respective occupations for the study of which scholarships are awarded and to persons who have special aptitude for such occupations.

9. One-third of the scholarships will be specially reserved for candidates who belong to communities backward in Education, viz., Government Order No. 8940-90--Edn. 96-16-12, dated 8th May 1917, para 7.
